MEMORANDUM FOR: Fiscal Division

ATTENTION : Accounting Branch

SUBJECT : Credit USAF Working Fund Symbol No. X-175-10

1. The Office of Logistics has requested me to ask the Fiscal Division to credit subject working fund in the amount of $15,000.00 simultaneously with their processing of Requisition No. 913-12-121-59 as a charge against Property Authorization 9-5400-10.001.

2. The reason for pursuing this debit and credit transaction in the manner indicated hinges from the fact that no portion of the working fund from the USAF has been or should be utilized to procure property authorization. The Requisition 913-12-121-59 seems to me to be self-explanatory with respect to the transaction requiring the adjustments requested. However, should additional explanation be necessary, it will be furnished upon receipt of your request.

3. It is my belief that the Logistics Office will furnish the Fiscal Division with a copy or copies of any action taken by them in connection with this $15,000.00 item to insure that all actions remain in harmony. A copy of this communication is being supplied to both the Budget Officer in OSI (the unit in custody of the equipment) and Miss C. Van Gordon who is the interested Logistics employee in order that all offices will be kept informed of the accounting adjustments that we are effecting.

4. On the basis of this document and a copy of the requisition, DPD is increasing the funds available under the X-175 working fund in the amount of $15,000.00.
